

## COVID-PPE Safety Checklist and Agreement

---

NAME: \_\_\_\_\_ Date: \_\_\_\_\_

I understand the importance of appropriate PPE use and following Public Health, Ministry of Health and IPAC recommendations to keep myself, patients, residents, families and colleagues safe. I demonstrate this by the following practices:

<input type="checkbox"/>	I have attended a PPE session since the COVID Pandemic was announced
<input type="checkbox"/>	I know that if I am feeling unwell I need to stay home and self-monitor or seek medical attention (if appropriate)
<input type="checkbox"/>	I practice physical distancing at work, and wear a mask for the full duration of my shift
<input type="checkbox"/>	I wear a mask and eye protection whenever I might be within 2 metres (6 feet) of others (and additional PPE when needed when caring for patients/residents)
<input type="checkbox"/>	I wear gloves in addition to mask and eye protection when providing patient/resident care (and additional PPE when needed)
<input type="checkbox"/>	I use <a href="#">point of care risk assessments</a> at each patient/resident interaction
<input type="checkbox"/>	I wear my street clothes outside of the hospital and use one pair of shoes just for work
<input type="checkbox"/>	I practice excellent hand hygiene before and after patient/resident contact, after contact with the patient/resident environment, after body fluid exposure risk and as part of the process of donning/doffing PPE (per guideline)
<input type="checkbox"/>	I keep my work space tidy and free of clutter to allow for regular cleaning and disinfection
<input type="checkbox"/>	I ensure all the equipment I use is cleaned as per <a href="#">IPAC guidelines</a>
<input type="checkbox"/>	I watch colleagues when they use PPE and help them if they are missing a step
<input type="checkbox"/>	I know where to look and who to ask if I have questions about being COVID safe
<input type="checkbox"/>	I understand the importance of maintaining 2 metres (6 feet) distance from my colleagues when on break or at lunch together
<input type="checkbox"/>	I understand that open shared food facilitates the spread of pathogens including COVID, and is not allowed at work, and will be thrown out
<input type="checkbox"/>
